June 11, 2015

The Applicator Certifications issued to the following pest management professionals **expired on May 31, 2015**. These individuals may not provide pest management services unless they have a current and valid Qualified Applicator Certification. To renew their certification, each must have at least the minimum CE required, submit a completed renewal, and pay all applicable fees (including the late fee). The OPM will not re-mail the application forms however the forms may be emailed to the applicant upon request. User IDs and password may also be provided upon verification of identity. **This list is not being updated.**

The Applicator Certifications issued to the following pest management professionals **expired on May 31, 2015**. These individuals may not provide pest management services unless they have a current and valid Qualified Applicator Certification. To renew their certification, each must have at least the minimum CE required, submit a completed renewal, and pay all applicable fees (including the late fee). The OPM will not re-mail the application forms however the forms may be emailed to the applicant upon request. User IDs and password may also be provided upon verification of identity. **This list is not being updated.**

The Applicator Certifications issued to the following pest management professionals **expired on May 31, 2015**. These individuals may not provide pest management services unless they have a current and valid Qualified Applicator Certification. To renew their certification, each must have at least the minimum CE required, submit a completed renewal, and pay all applicable fees (including the late fee). The OPM will not re-mail the application forms however the forms may be emailed to the applicant upon request. User IDs and password may also be provided upon verification of identity. **This list is not being updated.**

June 11, 2015

The Applicator Certifications issued to the following pest management professionals **expired on May 31, 2015**. These individuals may not provide pest management services unless they have a current and valid Qualified Applicator Certification. To renew their certification, each must have at least the minimum CE required, submit a completed renewal, and pay all applicable fees (including the late fee). The OPM will not re-mail the application forms however the forms may be emailed to the applicant upon request. User IDs and password may also be provided upon verification of identity. **This list is not being updated.**
