The Applicator Certifications (CA or QA) issued to the following pest management professionals **expired on May 31, 2019**. These individuals may not provide pest management services unless they have a current and valid Applicator Certification. To renew their certification, each must have obtained the minimum CE required on or before May 31, 2019, submit a completed renewal including evidence of citizenship or lawful presence, and pay all applicable fees (including the late fee). The forms may be emailed to the applicant upon request. User IDs and password may also be provided upon verification of identity. **This list will not updated.**
